

Bright Futures Academy

Sustainable Education Since 2001

2020-2021 School-Parent Compact

Dear Families

Bright Futures Academy, faculty, staff, families, and students agree that this compact outlines how we share the responsibility for improved student academic achievement. The compact describes how the school and families will build and develop a partnership to help children achieve in a supportive, effective learning environment that enables students to meet the State's high academic achievement standards. Please review this information with your child, sign, and return the bottom portion to your child's teacher by Friday, 26, 2021.

Our Academic Goals:

1. To increase our FS math scores, our school will concentrate on memorizing facts using all operations.
2. To increase our FSA reading scores, our school will concentrate on developing phonics skills in grades K-2 and reading stamina in grades 3-8.

The school will work with students and their families to support students' success in reading and math by:

1. Providing a safe classroom and school environment
2. Creating lessons that differentiate on math facts, reading strategies, and preparing for standardized testing.
3. Individualized meeting between teacher and parents to explain curriculum, tests, and share student results.

Families will support student success in reading and math by:

1. Helping students with homework, focusing on math facts and reading stamina
2. Checking Jupiter Ed (Online gradebook) weekly to monitor grades and behavior
3. Participating in Family Events to learn about Bright Futures Academy's curriculum and strategies to increase their student's educational success.
4. Getting students to school each day, on time, prepared, and ready to learn.

Students will work towards success with teachers and families. Students will connect learning at school to learning at home including virtual learning.

1. Practicing math facts and oral reading with family members
2. Completing assignments correctly and on time
3. Using I-Ready to increase skills and prepare for standardized testing.
